

This document provides key investor information about this fund ("Fund"). It is not marketing material. The information is required by law to help investors understand the nature and the risks of investing in this Fund. Investors are advised to read it so to make an informed decision about whether to invest.

GFG FUNDS - GLOBAL ENHANCED CASH P EUR, a Share Class of GFG FUNDS - GLOBAL ENHANCED CASH

Management Company
ISIN

MultiConcept Fund Management S.A., Luxembourg
LU1981743518

Objectives and investment policy

The Fund is actively managed with reference to the European Central Bank Eonia OIS Index 7 day benchmark with the exclusive objective of calculating its performance fees. The Fund is aiming to capital preservation with the objective of generating excess return. The Fund promotes environmental, social and governance (ESG) characteristics (within the meaning of Article 8 of Regulation (EU) 2019/2088) through a combination of different portfolio management techniques. Despite the performance fee being calculated in relation to the Reference Index, the Fund may invest in any instruments in order to achieve its investment objective and within the limit of the investment restrictions set out herein. The Fund will invest in cash, cash equivalents, and fixed income instruments including but not limited to deposits, fixed and floating interest rate debt securities, issued by government and corporate issuers, without any

geographical or sectorial restriction, mainly in EUR and USD. The Fund may also invest up to 30% of the portfolio in high yield bond and up to 20% in not rated bonds. The Fund may take exposure through financial derivative instruments such as futures, options, forwards on any underlying such as currencies (including non-delivery forwards), interest rates, transferable securities, basket of transferable securities and financial indexes. This Share Class does not make regular distributions. The investor can buy or sell units of the Fund on a daily basis, as further defined in the prospectus. The Fund shall bear the costs of standard brokerage and bank charges incurred by the Fund through securities transactions in relation to the portfolio. These charges are not included in the "Charges" section of this document.

Risk and reward profile

Risk profile

The Fund's risk and reward profile shows the variations in value an investment in this Fund would have undergone over the past five years, whereby simulated performance data is used in the case of missing history. The Fund's risk rating may change in the future. Please note, higher possible gains generally also mean higher possible losses. The lowest risk category does not mean that the Fund is risk free.

Why is the Fund in the specific category?

Investments in bonds are affected by changes in interest rates, the size of the market segment, the currency allocation, the economic sector and the credit quality of the bonds. The Fund holds mainly investments with generally good credit quality. Also the Fund intends to avoid any currency risk. The particularly active management of the Fund may lead to frequent changes of the Fund's risk profile.

Are there any other particular risks?

The Fund's risk and reward profile does not reflect the risk inherent in future circumstances that differ from what the Fund has experienced in the recent past. This includes the following events which are rare but can have a large impact.

- **Credit risk:** Issuers of assets held by the Fund may not pay income or repay capital when due. Part of the Fund's investments may have considerable credit risk.
- **Liquidity risk:** Assets cannot necessarily be sold at limited cost in an adequately short timeframe. Part of the Fund's investments may be prone to limited liquidity. The Fund will endeavor to mitigate this risk by various measures.
- **Counterparty risk:** Bankruptcy or insolvency of the Fund's derivative counterparties may lead to payment or delivery default. The Fund will endeavor to mitigate this risk by the receipt of financial collateral given as guarantees.
- **Operational risk:** Deficient processes, technical failures or catastrophic events may cause losses.
- **Political and Legal risks:** Investments are exposed to changes of rules and standards applied by a specific country. This includes restrictions on currency convertibility, the imposing of taxes or controls on transactions, the limitations of property rights or other legal risks.
- **Sustainability risks:** Sustainability risks are environmental, social or governance events or conditions that can have a material negative effect on the return, depending on the relevant sector, industry and company exposure.

Charges

One-off charges taken before or after the investment	
Entry charge	5.00%
Exit charge	3.00%
Switch charge	1.00%
This is the maximum amount that may be deducted from the investor's money before it is invested or before the proceeds of the investment are paid out.	
Charges debited to the Fund over a year	
Ongoing charge	0.81%
Charges debited to the Fund under certain specific conditions	
Performance fee	15% of any excess return the NAV achieves over the High Water Mark and Hurdle-Rate-Index-Value.

Charges debited to investors are used to pay for the cost of running the Fund, including marketing and distribution costs. These charges reduce the potential growth of the investment.

The **entry** and **exit charges** shown are the maximum figures that can be charged to the investor. Investors may obtain the fees effectively applied from their individual financial adviser or distributor.

The **ongoing charges** figure is based on last year's expenses for the year ending December 31, 2021. This figure may vary from year to year. It excludes performance fees and portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling shares/units in another collective investment undertaking.

The Investment Manager is entitled to a **performance fee** if the net asset value (NAV) of the Fund exceeds a predefined reference value, subject to additional conditions set forth in the prospectus. A performance fee may be charged and paid, based on the NAV calculation, even if at the end of the reference period the NAV of the relevant share/unit class is lower than it was at the beginning of the reference period. There may also be circumstances where a performance

fee will be incumbent on investors who are redeeming from the Fund during the reference period while the value of the NAV applicable to the redemption is lower than the value of the NAV on the subscription date. For further information about

charges, investors should refer to chapter 9 of the Fund's prospectus, which is available at <https://www.credit-suisse.com/microsites/multiconcept/en.html>.

Past performance

Performance disclaimer

Please note that performance in the past is not a reliable indicator of future results.
